

# Taster Session: Improvement Technician Level 3

---

Ensuring that processes are streamlined is key to keeping your business efficient. Our NEW Improvement Technician programme is ideal for Learners looking to hone their process management skills.

We're running FREE Taster Sessions for Learners interested in the Level 3 Programme.

## The Taster Session will cover:

- Overview of Improvement Modules
- Introduction to Improvement Technician
- Introduction to LEAN & Six Sigma
- Identifying potential improvements within your own business
- Employer involvement and live projects

Taster sessions will last up to an hour and include a Q&A session at the end.
